## **B&D Mini-gala news.**

Over the weekend St.Helens Swimming Club competed in the final of the Bolton and District Mini League for the under 12's. We have had great success in the past, winning the title 2 years ago and third place last year.

The gala had a very strong line up with St.Helens up against teams that we have never previously competed against.

Alice Harrison and Cameron Platt were honoured by being team captains for the day.

St.Helens put in a very strong performance but unfortunately we could manage only 4th place on the day against some excellent competition.

There was however some excellent news with St.Helens SC winning the girls trophy awarded to the top girls (or boys) who have achieved the most wins/points over the 9 month season which included the earlier rounds. The boys winners were Pioneer 79 from Blackburn.

### **The final results of the final were;**

- 1st Horwich
- 2nd Hindley
- 3rd Ashton
- 4th - St.Helens
- 5th Warrington
- 6th Atherton & Leigh.
